SUMMARY OF SCORES

Congratulations on taking ASSET Dynamic! Shown below is the summary of the ASSET tests that you have taken this year.

OVERALL SCORE

English Maths Science

SCIENCE

Overall Score: 456
This is a scaled score. The minimum you can get is 200 and the maximum is 800.

Range:

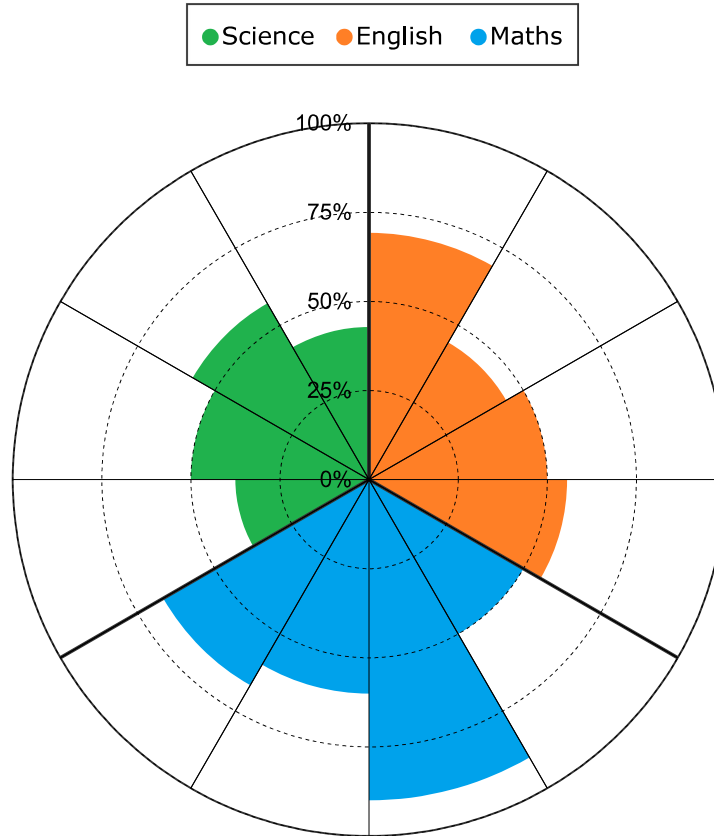

200 800
420 - 500

*When you take this test more than once your score may vary.
For this academic year, your score is expected to remain in the given range.*

< 50
Percentile

CIRCULAR SKILL PROFILE

The Circular Skill Profile represents your performance on each core skill in each subject test of ASSET you have taken. The greater the height of the shaded region, the better the performance.

**hover over the shaded area to see the performance in each skill*

STRENGTHS AND WEAKNESSES

For each subject, you will find below the list of your strong and weak areas.

English Maths Science

SCIENCE	
Strengths	Knowledge of use of scientific instruments, tools and procedures
	Complex analysis, data interpretation, integrating different concepts
Weaknesses	Definition or description of scientific terms, organisms or materials
	Extraction, translation and application of knowledge or information
